

## Lest we forget: Town remembers its fallen

by Trevor Bevins

HUNDREDS attended Dorchester's Remembrance Sunday service at the weekend.

Crowds spilled across the road to both sides of The Junction and stood in a dignified silence after the playing of The Last Post.

For many there were tears in their eyes as they remembered comrades and family members who gave their lives in conflicts of the past and in more recent years.

For Dorset soldiers just before the laying of wreaths there was a reading of the Kohima Epitaph for those who lost their lives in that campaign: "When you go home, tell

them of us and say: For your tomorrow, we gave our today."

Service soldiers, veterans and members of youth organisations associated with the military marched to the service, as did town councillors led by Mayor Andy Canning, who laid the first wreath.

Music for the event was provided by the Dumovaria Silver Band with the town's Carnival Band involved in the march.

Similar services of Remembrance were held Crossways, once the site of a Second World War airfield, where district council vice-chairman

**PC Kirsti Ball is the latest addition to Lyme Regis Safer Neighbourhood Team, taking over from PC Richard Winward who is now Response Officer. Kirsti was born in Somerset and grew up in a hamlet near Horton and Broadway, Ilminster. She now lives in Chard and, before taking on the role in Lyme, worked in Bridport for five years as Response Officer.**

● **WHERE did you work before coming to Lyme Regis?**  
Before coming to Lyme Regis I worked in Bridport for five years as a response officer, so I already knew the area fairly well and always made an excuse to come over on patrol, and before that I worked in Poole for three years. Before joining the police I was a gym and fitness instructor in Taunton.

● **WHY did you decide to come to Lyme Regis?**  
I always loved Lyme Regis and came here regularly as a child with my family. I can remember on one visit to Lyme, early on in my police career thinking to myself "wouldn't it be wonderful to work in Lyme Regis, it would be the most amazing place to work". Several years later here I am and loving it!

● **WHAT do you enjoy about working in the area?**  
I love working in Lyme and the surrounding area because the work is so varied and different. I start my working day having absolutely no idea what I will be dealing with. I am so fortunate to work and patrol in such a beautiful area, and I love meeting all the different people out in the community.

● **WHAT would you add to or change about the town if you could?**  
I don't think there is much I would change about Lyme Regis, I think it is a fantastic place to live, work and visit. I would love to see more affordable housing, as I feel that local people who want to live in Lyme Regis and the surrounding area are being forced out of the town due to increasing housing prices.

● **WHY did you want to be a police officer?**  
When I left university after completing a degree in sports science I always thought that I wanted my career to develop in that field, but at the same time I always had a niggle in the back of my mind that I wanted to become a police officer. So much so that I went on a three-day residential course to the West Midlands Police to get a bit of an insight to what it was all about.  
I then applied to Avon and Somerset Police and didn't get in, then applied again and still didn't get in. I thought it wasn't meant to be and so continued progressing my career in the health and fitness industry.

All the time though, I still had it in the back of my mind that I wanted to be a police officer, so when Dorset Police were recruiting I applied again and got in third time lucky! I always say to other people that if it's something they really want, then not to give up and keep trying.

● **WHAT is the main police concern in Lyme Regis and**

## how are you tackling this?

At the moment we are concentrating on the "Fatal Four" - to reduce the number of people not wearing seatbelts, drink and drug driving, inappropriate speeding and using a mobile phone whilst driving. This is an ongoing successful campaign throughout Dorset but we still need to instill in people that there are "No Excuses".

## ● WHAT are your personal interests?

I enjoy running and belong to Chard Roadrunners running club, where we run come rain or shine! I have run in several half marathons and enjoy keeping fit. I love baking and making cakes and take great pleasure in making different things to bring in for my colleagues to try out. I also enjoy travelling and have been fortunate enough to spend a lot of time travelling with my fiancé to some of the most wonderful places around the world, of which I feel so very, very lucky to have been able to have visited

## ● WHICH three items would you want with you on a deserted island?

The three items I would take with me on a deserted island would be a Swiss Army Knife, so that I could build myself somewhere to live, a lifetime supply of water and a solar powered torch as I hate being alone in the dark!

## ● WHICH three people would you invite to your dream dinner party?

The three people I would like to invite to a dinner party would be the 14th Dalai Lama - I think he would be such a fascinating man to speak to and having spent some time in Tibet, I would love to find out more about his views on the current situation and his beliefs. I would also like to invite Princess Diana, as I think she was an amazing woman with a brilliant sense of humour. The final person I would invite would be Miranda Hart, as I think she is hilarious and would bring some humour and madness to the dinner party!

## ● WHERE is your ideal holiday destination?

I have been lucky enough to travel to many places around the world and I am not the sort of person who enjoys lying on a beach for two weeks. I love getting out and seeing all the sights. One place I haven't been to and would love to visit is North America and Canada. I would love to hire a camper van with my fiancé and spend time travelling around and experiencing such a diverse range of sights and experiences and stopping off at different places along the way.

## Holiday park visitors raise over £3K for local charity

THE Weldmar Hospicecare Trust, based in Dorchester, has collected over £3,000 from a Charmouth holiday park as part of its 40th anniversary celebrations.

Wood Farm Caravan and Camping Park in Charmouth raised the money by asking visitors who stayed at the park during the last 12 months to add a £1 donation to their final bill to support Weldmar.

Along with other fundraising activities, this raised £3,176.02.

Jane Bremner, whose family have been running Wood Farm for 40 years, said: "We are very proud to have raised such an amount for Weldmar and we will continue to support the charity in the future."

Jon Panton, business fundraising manager of Weldmar Hospicecare Trust, said: "Weldmar is very grateful to Jane and everyone at Wood Farm for their donation and all their support."

## Town remembers fallen heroes with a wreath laying ceremony

■ **CONTINUED from front**

Councillor Teresa Seall joined a service alongside parish councillors and other local people at Crossways Village.

This was followed by a walk down to the RAF War Memorial at 10.40am where a wreath laying ceremony will be held after

the two minutes silence at 11am.

In Weymouth the Annual Service of Remembrance and two minutes silence was attended by the Mayor of Weymouth

and Portland Cllr Margaret Leicester and Deputy Mayor Cllr Ray Banham on the seafrost.

Following a short service Cllr Leicester laid the

council wreath on the Cenotaph. Wreaths were then laid by the services, ex-service associations and local organisations.

After singing the national anthem the contingents on parade marched past the Cenotaph. The ex-service organisations then continued to the American

War Memorial where the mayor will lay a wreath on behalf of the borough followed by a US Army veteran and members of the public.

Earlier in the week Dorchester's Thomas Hardye School took part in an annual service of Remembrance involving the

whole school – the event is believed to be the only one in Dorset involving all pupils and staff.

Dorset County Council's Remembrance Service took place last Thursday, November 8th, including the laying of wreaths on the memorial outside the county council offices.

## Police issue warning after van break-ins

THEFTS from vans are continuing in Dorchester.

Amongst the latest incidents was the rear doors of a Peugeot Boxer van being forced whilst it was parked in Cambridge Road between 12.30pm and 12.40pm on Thursday, November 8th November. The offender then stole power tools from inside.

Police say that since the end of October there have been 10 vehicles broken into with items stolen. The thieves are operating overnight and thefts have occurred in the Manor Park and Castle Park area of the town.

The vehicles that are being targeted are work vans that contain tools. Items stolen include drills, chainsaws and other power tools.

"Residents all over Dorchester who own work vans need to take extra care

to ensure that they remove all their tools from the vehicles and leave nothing in the vehicles overnight.

"If they own a garage then they should attempt to lock the vehicle inside. These thieves will operate all over Dorchester including the rural areas and during daylight hours.

"Just because the Manor Park and Castle Park areas have been targeted that does not mean that other areas of Dorchester will not be affected," said a spokesman.

"If residents hear or see any suspicious activity overnight they should phone 999 without delay.

"I would expect the thieves to be travelling around in a vehicle so residents should stay vigilant and report any suspicious vehicles to the police."

## Pupils' animated films selected for international showcase

YOUNGSTERS working on their animation which has been selected for an international screening

ANIMATED films by children at two Weymouth primary schools have been selected for an international showcase of young filmmaking talent.

The Big Splash and the Helpful Dead, made for the Olympics by pupils at St John's Primary and Wyke Regis Junior schools will be part of Electric December, a countdown calendar featuring the best of young people's short films from across Europe.

The films, seen by thousands on big screens during the summer, will now bring Weymouth and Portland - as

seen through the eyes of ten-year-olds - to an international audience.

Over the course of a month in each school the young filmmakers worked with a group of six artists from Dorchester Arts, led by Sharon Hayden of digital arts organisation ScreenPLAY.

She said the children gave both films a strong sense of place and local identity.

"In the Big Splash they wanted to capture the feel of the torch relay on Weymouth seafront and the determi-

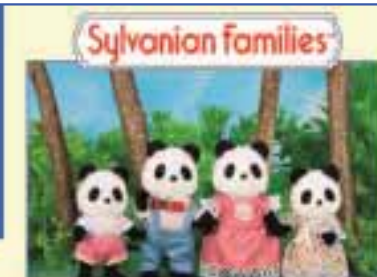

nation and courage of a group of young people swimming across the bay. In researching Helpful Dead, the children they found a head teacher's diary from 1872 with descriptions of a shipwreck off Chesil Beach.

"This gave them the idea to link a Victorian tragedy with the 2012 Olympics," she explained.

The films, plus the third in the trilogy the Portland Race, were funded by the lottery through the BFI's First Light initiative.

# Public opportunity to have say on Local Plan

DEVELOPERS and landowners have put forward new sites they feel should be included in the new Local Plan for West Dorset, Weymouth and Portland.

Local people will now have the opportunity to comment on these proposals during a consultation period which lasts until December 20th.

Hilary Jordan, Spatial and Community Planning Manager at Weymouth and Portland Borough Council and West Dorset District Council, said: "I would like to thank all those residents who got involved during the summer's consultation process.

"We received around 2,000 representations from over 900 individuals and organisations which have now been analysed.

"We now have a duty to ask residents their thoughts on 'alternative sites' submitted during the summer's consultation and we welcome everyone's comments."

**by Trevor Bevins**  
trevorbevins@gmail.com

She points out that neither council is promoting these 'alternative sites', and is inviting local people to make comments on the proposals so that their views can also be considered directly by the Independent Inspector, when the Local Plan is submitted for consideration.

The 'alternative sites' consultation paper is available at [www.dorsetforyou.com/newlocalplan/west/weymouth](http://www.dorsetforyou.com/newlocalplan/west/weymouth) and at the council offices and local libraries.

Comments can be submitted to either council between now and December 20th.

You can respond by emailing your comments to [s.policy@westdorset-weymouth.gov.uk](mailto:s.policy@westdorset-weymouth.gov.uk) or write to; Local Plan Alternative Sites Consultation, either at West Dorset District Council, Stratton House, 58/60

High West Street, Dorchester, DT1 1UZ or Weymouth and Portland Borough Council, Council Offices, North Quay, Weymouth, DT4 8TA.

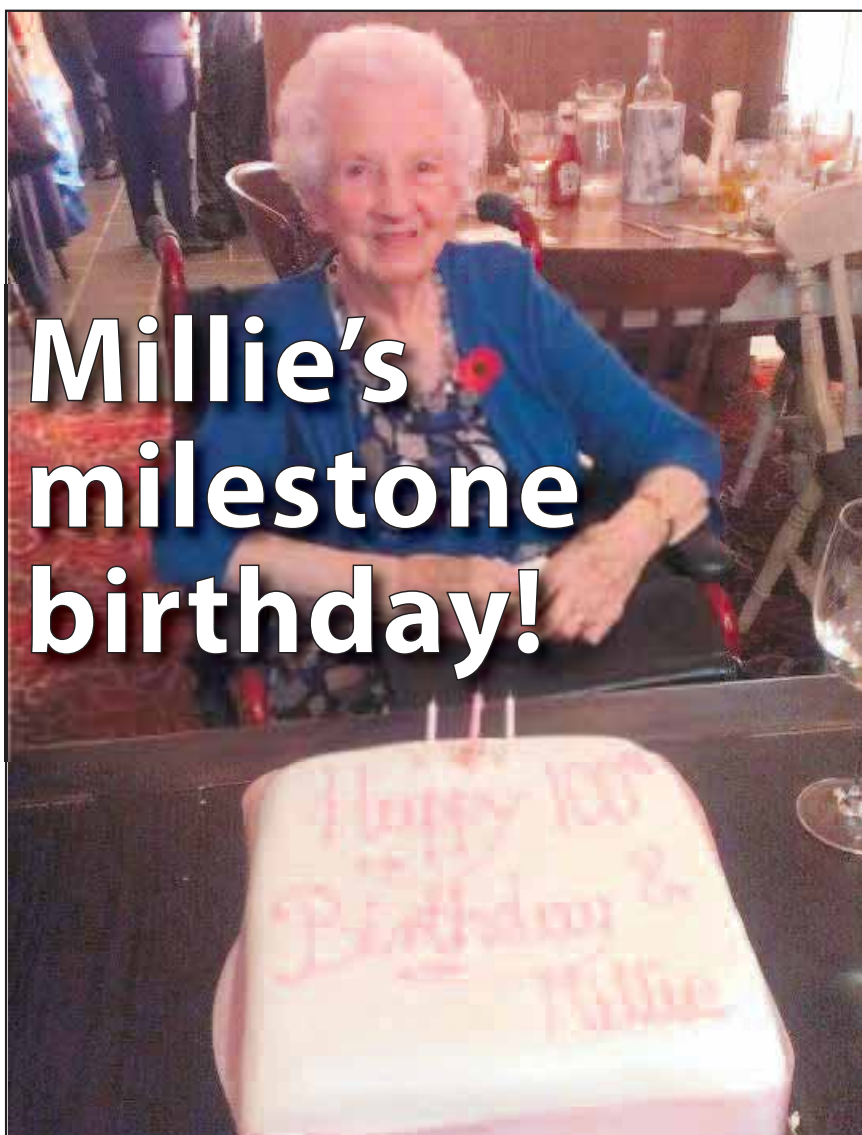

The draft Local Plan sets out a long term planning strategy to meet future housing, employment and leisure needs.

It covers issues such as where housing could be built, how the economy can be boosted and what infrastructure may be needed.

PublicIt also looks at how climate change can be tackled, the environment protected and how future developments can be made more sustainable.

Any proposed changes to the draft Local Plan will be presented to councillors during council meetings in early 2013 before being submitted to an independent inspectorate for consideration. A public examination will then take place in May 2013 before the plan is adopted in October 2013.

# College unveils bespoke ironwork screen in Red Garden

by Trevor Bevins  
trevorbevins@gmail.com

KINGSTON Maurward College's blacksmith and Forgework tutor Simon Grant-Jones, has revealed his bespoke ironwork screen in the Red Garden at Kingston Maurward.

The screen was commissioned for the Kingston Maurward gardens by head gardener Nigel Hewish who wanted a piece of ironwork to reflect the period of the 18th Century mansion house.

The beautiful circular design, which took over 480 hours to complete, was created in iron with Acanthus leaves and sun motif oil-gilded using 23 ¾ carat gold.

Simon researched and manufactured the piece using techniques traditional to the period with inspiration taken from the work of Robert Bakewell and the Davies brothers, renowned smiths from the 18th Century.

The screen was also used to show traditional forge techniques in the BBC4 programme The Black-

smith's Tale, part of BBC4's Metalworks series earlier this year. Simon appeared on BBC's Turn Back Time series in 2010.

Kingston Maurward Charitable Foundation Chair, Matthew Price, said: 'Simon Grant Jones is one of Kingston Maurward's hidden gems, and we should be very proud to have this extraordinary piece of craftsmanship in our gardens.'

Simon has recently been awarded Licentiate of the Worshipful Company of Blacksmiths as a Recognised Teacher of the Trade, one of only a dozen in the country, and crowned UK National Champion Blacksmith for 2012 from several hundred competitors.

The piece was unveiled by Gardener Roger Habgood, the longest serving member of staff at Kingston Maurward, along with staff and College Governors followed by a reception at the Animal Park Visitors Centre.

Simon said: "I'm over-

whelmed at the turnout and the amount of support from family and staff for the unveiling. I thoroughly enjoyed the project, and I

want to thank Nigel Hewish for asking me to do it.

"From researching into the history of the period,

through to paint colours, and exhibiting the screen at the county shows – it's been a big professional journey for me.

"I wanted to be able to do something for the Kingston Maurward Gardens that would last for generations to come."

## Plea to help kids and make a difference

ADOPTION experts in Dorset are calling out for people who can make a difference to children's lives.

In Dorset, a range of children are waiting to be adopted including single children aged up to eight, disabled children, and sibling pairs.

There are no age criteria for adopters other than they need to be over the age of 21 to legally adopt and be fit and healthy enough to care for a child throughout their childhood.

Last year, 15 children were adopted in Dorset and it is looking likely to be double that number this year.

Dorset County Council has one of the best records for placing children with families. The average time it takes to place a child following court permission is 97 days, well below the national average of 195 days.

The council also performs well in assessing prospective adopters with the majority being approved at the adoption panel within eight months of their application.

Enquiries from single people; couples, including same sex couples; people of all backgrounds; and people of all religions and none, will all be considered.

Councillor Toni Coombs, Cabinet member for children's services at Dorset County Council, said: "There are many children in Dorset who need the stability and love from a family for life. We're looking for people from all walks of life and backgrounds.

"The process in Dorset is thorough, but it's also one of the quickest in the country and we can give you a huge amount of support available through training, support groups and individual advice.

"Adopting a child can be really rewarding, and we would love to hear from you if you are interested in finding out more."

For more information about adoption, contact 01305 221450 or visit [www.dorsetforyou.com/adoption](http://www.dorsetforyou.com/adoption).

## New home for Durnovaria Silver Band

THE Durnovaria Silver Band playing at St George's Fair earlier this year. If new premises cannot be found the band may be forced to break up

DORCHESTER'S Durnovaria Silver Band has found a new home – after being told it will have to leave its practise hall, the Fordington Methodist Church Hall.

The band was told it would have to leave because the church is closing its doors from next weekend and the premises are expected to be sold at auction.

The band will now be sharing the Scout hall at Little Britain, close to its existing base.

Initially the move will be on a three month trial basis.

by Trevor Bevins  
[trevorbevins@gmail.com](mailto:trevorbevins@gmail.com)

"We are delighted and I am sure it will work out well for both of us," said band Chairman, Colin Lucas.

The band had initially suggested trying to buy the church hall, sharing it with other organisations, but

there was not enough interest to pursue that option.

The Silver Band providing regular concerts at the bandstand in the Borough Gardens and in the warmer months plays at fetes and other events throughout Dorset by request.

The players - aged from young teens to eighties - are all volunteers, and take part entirely through their love of music and willingness to serve their local community.

## Student Lily wins £1K award

**DORCHESTER** student Lily Hiscock has won the Wyke Farms Award with a £1,000 prize which will help in her final year of an agricultural business management degree at Reading University.

Lily was one of the finalists chosen from 30 applicants from Cornwall, Devon, Dorset and Somerset. The annual awards are open to students from the four counties who are studying agriculture and related subjects.

"Lily has a bright future and her talent will contribute to ensuring that British Dairying will be competing on a world level over the coming years," said Rich Clothier, third generation family member and managing director, Wyke Farms.

The scholarship fund was set up in 1925 by United Dairies, the forerunner of Unigate – now Dairy Crest. Wyke Farms, NFU, Milklink and ABN Agri also add to the fund to encourage youngsters in the dairy industry so that the UK can have the efficient and competitive dairy sector that it deserves.

An executive committee manages the Trust, with three Trustees and an advisory committee. It is run jointly with the NFU and awards grants to children of farmers and farm employees who are over 16 years old, living in Cornwall, Devon, Dorset and Somerset, and studying a dairy related topic. Applicants are assessed by interview and finalists are selected to be considered for the top awards.

MORE than 340 people attended the annual dinner of the Society of Dorset Men – including one who had travelled from America to be present.

Lord Fellowes, society president, read a letter from the Queen thanking members for their best wishes on her 60th anniversary of her accession to the throne and her best wishes for a most memorable evening at the county dinner.

The annual county Dinner, held at the George Albert Hotel on Wardon Hill for the second year running, was attended by 341 members and their wives.

Overseas member David Kirkpatrick and his wife Jan travelled 4,000 miles to be present, from their home in Charlotte, North Carolina USA.

Lord Fellowes apologised for the absence of Joanna Lumley, who was to have been the guest-of-honour.

He explained Joanna was still in New York making The Wolf of Wall Street, Martin Scorsese having unexpectedly changed her filming days.

Guests of the president included Valerie Pitt-Rivers, Lord Lieutenant of Dorset; Jeremy Pope, High Sheriff of Dorset and Commander Sarah West

RN, the new Captain of HMS Portland- the first woman to command a major warship in the Royal Navy's 500 year history.

Guest speaker Major General Jonathan Hall revealed he had begun his Army service at Bovington and in retirement had become Lieutenant Governor of the Royal Hospital at Chelsea.

Lord Fellowes of West Stafford DL spoke about his acclaimed ITV series Downton Abbey, which has been commissioned for a fourth series.

The television scriptwriter spoke of how the idea was born and how he

had conceived the various characters- some with specific actors in mind.

Stuart Adam received the Bryan Challis Cup from Lord Fellowes for recruiting the most members during the year and David Shaw was presented with the Angus Hambro Golf Club, which he won during the summer tournament.

Stuart Adam, chairman of the society, thanked Lord Fellowes for taking on the role of president.

He thanked Hayne and Pat Russell, who had organised the county dinner so excellently. The toastmaster was Colin Fry.

## Dorset artist duo to donate cut of sales to wildlife trust

AN exhibition by two Dorset artists is to benefit the natural environment that inspires their art.

'Living with Landscape' features the work of sculptor Sally Derrick and painter Adrian Whittlesea at the Jacobean-style manor, Southover House, in Tolpuddle.

The exhibition will be open 10am to 5pm from Saturday, November 17th to Monday 19th.

The two Dorset-based artists, who are presenting a wide range of works featuring birds, animals and landscape, are donating 10 per cent of all sales to Dorset Wildlife Trust, reflecting their shared love of the natural world.

Adrian Whittlesea studied at the Ruskin School of Fine Art in Oxford

and has been a professional artist for much of his working life, including 15 years in art education and is now based in Dorset.

He works in a wide range of media, from charcoal, pencil, watercolour to gouache and acrylic; he is displaying up to 80 works of art in the exhibition, with prices ranging from £60 up to £2,000.

Sally Derrick, who lives in west Dorset, has been sculpting since the 1980s and has exhibited widely, including at the Royal West of England Academy.

A wildlife lover with her own wildlife friendly garden, Sally's sculptures range widely in price from £100 to bronzes at up to £2,000.

Sally Derrick said: "We are both

keen observers of our wonderful natural environment here in Dorset and will hope to excite you with some beautiful and thought provoking work."

Fiona Sansom, Supporter Development Manager at Dorset Wildlife Trust, said: "We are very grateful for the generosity of both artists and also Mr and Mrs Michael Slocock, who are kindly opening their beautiful house especially for this exhibition.

"Living with Landscape reflects our vision to restore Living Landscapes across Dorset and the money raised will be used to protect wildlife so that we can all continue to be inspired by this special county.

# Gardens & Landscapes

Let these local businesses make your garden glorious

## Ashley Cooper Turf & Transport

WITH your finances being stretched so tightly these days, spending money on your garden may not seem important. But, with going out and holidays being so expensive, maybe your hard earned cash

can be more productive at home. A beautiful, well tended outdoor area can add some financial value to your home, but more value can be added to your life if it is somewhere you want to relax and spend quality time with your family and friends.

Whilst the main core of our business is good quality turf, we can also help with compost, topsoil, barks, mulches, sleepers and many other items you may need to create your own unique garden. Ashley Cooper Turf & Transport is a small reliable, family business which has operated from Bridport for 20 years. We can supply the products for DIY installation, or why not let us provide you with a quote to come along and do the work for you. We also supply to trade customers too.

ACTT has many years experience with private households to large commercial sites, including private gardens, community areas, football pitches and national holiday parks.

With all this in mind – can we be of assistance to you?

## Sherborne Turf

FROM our location in the picturesque village of Trent, Sherborne Turf has been supplying the gardeners of Dorset, Somerset, Hampshire and Wiltshire with quality lawn turf and garden products for over 35 years. Our turf is grown in high quality farmland which forms part of The Trent Estate, using a unique blend of grasses that will knit together to form a firm base, negating the need for potentially harmful netting that could pose a trip hazard and be costly to remove.

Supplying the local area with fresh turf cut to order, low 'turf miles' mean our grass is green in more ways than one!

At Sherborne Turf, our product range has expanded to meet the needs of our customers. Garden soils are stored under cover in winter ready for delivery in bulk bags, along with a variety of top dressing, bark, mulch and compost for the serious gardener.

Deliveries are made using our own fleet of vehicles and drivers experienced in the handling of turf and associated products. While the trade standard for deliveries is 'kerb-side', our drivers understand this is not always practical for your gardens, and so we will always endeavour to place your items as conveniently as possible for you, subject to suitable access.

All of the staff at Sherborne Turf have experience of the items we sell, so for assistance on any aspect of your garden project, please give us a call on 01935 850388. Office hours are 8am to 6pm Monday to Friday, and Saturday mornings during busy periods.

## N.C.Jacks - Landscaping

**N.C. JACKS** Landscaping is a small, family-run business that has been working in the East Devon and West Dorset area since 1986. The business aims to provide a high quality service designed to meet your individual requirements. This may be a design to completion project or an individual job such as a patio or fencing.

Whether you are looking for a patio area to relax and enjoy your garden from, or just a path way to access another area, paving is the ideal choice. Hard wearing and permanent the style of finishes is extensive.

Dry Stone provides a very strong and flexible wall. Traditionally built with natural stone with no mortar or concrete and simply back filled with soil it works well in a cottage garden where a more traditional look is required. It provides an attractive base for plants to grow through.

We carry out a full range of fencing services from traditional panels, close boarding and post and rail, as well as trellis and gates.

Decking provides a more contemporary hard garden surface. Softer than paving it can be used on its own or as a compliment to hard paving. It is well suited to level uneven awkward sites. Balustrading and hand rails give a practical and attractive finish.

WE have been very busy this Autumn. First, we congratulate Mandy and Kerry for the safe delivery of their little ones – we miss you both, but wish you happy times with Freya May and Brandon until you return to us. Thanks for your visits – more please!

We have additions of our own to announce. To join our lovely rabbit, we now have two squeaky baby guinea-pigs which will hopefully bond and keep her company sometimes. We have a garden run so they can graze naturally (Richard will have less mowing to do!), together with an indoor and outdoor cage so they will get fresh air but have relief from frosts and cold winds. Beryl's daughter has the most

beautiful little puppy who visits frequently and she refers to, laughing, as her grand-daughter. She is jet black, soft and sweet, has more than doubled her size already and is starting that 'puppy nipping' with those sharp teeth.

We have enjoyed many local events in the last weeks, especially the annual Remembrance Celebration at Woodmead Halls, which was shockingly badly attended compared with previous years. Why?

Well, I suppose it's all uphill to Christmas now and then the long wait until it is summertime again. Here's wishing us all a healthy, happy winter until then – especially the Clarondene additions!

# WOW Youth Musical Theatre present Oliver!

WOW was formed in 1982, following a production of Oliver! by Weymouth Operatic Society. The show was produced for WOW's 10th Anniversary when 'Sold Out' signs were displayed at the Pavilion Theatre. It is fitting, therefore, that 'Oliver!' has been chosen for WOW's 30th Anniversary and will be performed at Weymouth Pavilion Theatre until Saturday, November 17th at 7.30pm nightly with a matinee on Saturday at 2.30pm.

The story opens on the sinister interior of the workhouse where Mr Bumble is serving gruel to the boys. When Oliver Twist returns with his bowl and the words 'please sir, I want some more', Mr Bumble is outraged. Oliver is sold to Mr Sowerberry the undertaker but he is so unhappy that he runs away. I am sure you know the rest of the story – but do go and see WOW's interpretation. 'Food, Glorious Food', 'Where Is Love', 'Consider Yourself At Home', 'You've Got To Pick A Pocket Or Two' and 'As Long As He Needs Me' are among the many memorable songs in the show.

The two young boys playing Oliver will be Charlie Vaughan and Ryan Hannigan with the role of Dodger shared between Oliver Tapley and Alex Rogan. Fagin is Billy Matthews and Bill Sykes Paris Misailidis.

Reine Anderson plays her first major role as Nancy with Charlotte Allen as Bet. Mr Bumble and Widow Corney, Adrian Bevan and Juliette Bone; Mr and Mrs Sowerberry, George Lyons and Cassandra Grindley. Completing the cast Noah Claypole, Rhys Hardwick; Charlotte, Clare Phelan and Mrs Bedwin, Fern Pritchard.

Director and choreographer is Martyn Knight, who has worked with the youngsters many times, and musical director and conductor to the live orchestra is Heather Reed.

Tickets are £13.50 with concessions for senior citizens and under 18's of £10.50, on Wednesday evening and Saturday matinee only. Available from the Weymouth Pavilion box office (01305 783225) or online at [www.weymouthpavilion.purchase-tickets-online.co.uk](http://www.weymouthpavilion.purchase-tickets-online.co.uk)

## ART LECTURE AT DORSET COUNTY MUSEUM

JOHN Craxton (1922-2009), one of the most important British artists of the 20th century, spent a lot of time in Dorset during a nomadic youth. Here he learned his love of wild landscapes.

Hailing from a musical, Bohemian clan in London he paid prolonged childhood visits to the ancient cob house on Cranborne Chase belonging to his uncle and aunt - both of them artists - and when the family home was blitzed in 1941 he moved with his friend E.Q. Nicholson to Alderholt Mill House.

Having worked closely with Lucian Freud, and when at the peak of his youthful fame as a Neo-Romantic artist, he discovered Greece. He lived there from 1946 - perfecting a joyful art celebrating the lives of sailors and shepherds in pictures influenced by Picasso and Byzantine mosaics.

Ian Collins knew Craxton well for his last decade and finally won permission to write a monograph which the artist had vetoed since the 1940s. It has been named as an Apollo magazine book of the year and shortlisted for the Greek cultural Criticos Prize.

At Dorset County Museum Ian will introduce a short film by Sir David Attenborough, Craxton's close friend and collector, and outline a supremely happy and creative life via scores of ravishing images.

Entrance to Ian Collins' lecture on Friday 23 November is free and the doors will be open from 7.00pm.

## Bonny Sartin: A Little Bit of Dorset

BONNY Sartin, front man of the popular folk group The Yetties, returns to one of his favourite Dorchester venues for a special evening's entertainment.

Entitled 'A Little Bit of Dorset', the event features Bonny's unique blend of stories, songs, poems and folklore. As Bonny says, "The chat, songs and poems illustrate why I love Dorset," and include a song about his father's skill as a poacher. Other songs were inspired by Bonny's childhood - trips to Weymouth, village outings, scrounging food and generally larking about. There's also a poem called 'The Stagecoach' by Dorset dialect poet, William Barnes, which was set to music over 100 years ago.

With a lot of enthusiasm, an atmospheric venue and some audience participation, the evening is expected to run with a swing.

Tickets cost £9 and are available now from the Museum Shop on 01305 756827 or email [shop@dorset-countymuseum.org](mailto:shop@dorset-countymuseum.org). The ticket price includes a glass of wine or Dorset cider and a piece of home-made Dorset apple cake. Doors open from 7pm.

## Break The Chain at 115 Club

TERRY Keyworth (Guitar and Vocals) and Pete Maxfield (Double Bass), a musical pairing like no other, their name; "Double Trouble" says it all. On Thursday, November 8th Terry and Pete entertained an appreciative audience of diners, performing tracks such as "Halleluia" and "Lucy in the sky with Diamonds", with a Jazz twist and blues undertones to rapturous applause. This was their second gig at 115 Club, but most certainly, not their last.

115 Club will host a hot three piece folk, blues and rock trio by the name of "Break the Chain", on the evening of Thursday, November 22nd. Bert Stone, Acacia Ann and Karl Weber mix up different styles on various instruments using varied influences from the likes of Bob Dylan, Etta James and Ray Charles. The performers were brought together by "A mutual love of music, lyrics and live performance". Only having been together since late 2011, they have already established themselves as a group like no other, performing at festivals and events in and around the West Country, to universal acclaim.

Acacia Anne began singing at the age of 16 in and around London. Now with many recorded original songs her voice and guitar make the harmony that is "Break then Chain".

Having toured with Genesis, The Cure, The Rolling Stones, and John Denver, Bert Stone is a fine singer/songwriter with a smooth vocal timbre. He brings acoustic and electric guitar and blues harp to the band.

Karl Weber, born in Detroit, and was playing The Missouri Waltz at the age of four! Today, an accomplished player of many instruments he has shared the stage with most famous musicians.

This promises to be a memo-

orable evening - check out: [www.breakthechain.org.uk](http://www.breakthechain.org.uk)

Pre-booking for hot buffet dinner (£10.00 per person) between 7.00pm and 8.00 pm is essential and guests should telephone on the day (between 2.00pm and 6.00pm) to confirm numbers in their party. At which time they will be informed of the cover charge - anticipated at between £5 and £10 per guest. Unfortunately late-comers cannot be accommodated as dining must be completed before the music starts at about 9.00pm.

## Celebrate Christmas at The Bull Hotel

WINTER – and Christmas particularly – is a special time of year at The Bull Hotel, right in the heart of Bridport.

Inside the beautiful 17th century coaching inn, the log fires are roaring, everywhere will be festooned with decorations and the aroma of mulled wine and mince pies will soon fill the air.

Always a vibrant social hub, The Bull is a place where guests, locals and visitors to Bridport can pop in for a coffee or linger over a three-

course dinner.

There is The Bull Bar & Restaurant, where head chef Mattias Larsson works his daily magic, with a variety of seasonal dishes and local specialities. He produces all the bread for breakfast, lunch and dinner along with the cakes and scones for tea – which can be eaten either in the restaurant, in the bar by the log fire or, if you prefer, on a crisp winter's day in the pretty, fairy-lit courtyard. There is also a private dining

room, the beautifully redecorated Ostler Room.

Christmas is a magical time at The Bull Hotel – and there are many ways to celebrate in style.

The naughtily decadent Venner Bar is the place to be with mouth-watering cocktails from their new mixologist, Lloyd Brown. On Friday nights from 6:30 they serve delicious freshly-made canapés.

Even better, The Venner Bar is now open Wednesday to Saturday, from 5pm, with

Cocktail of the Week, special promotions and cocktail classes.

Christmas Eve carol singing in The Hayloft above The Stable Pizza, Pie and Cider House has become a firm tradition in Bridport's Christmas calendar. Everyone is welcome everyone for a rousing and joyful sing-along, enhanced by mulled wine, cider and mince pies.

On Christmas day itself, why not join The Bull for a fabulous traditional Christmas lunch and preceded by champagne and canapés?

For a different pace and style the phenomenally

popular Stable Pizza, Pie and Cider House in, yes; you've guessed it, the old stable, serves a mouth-watering range of West Country ciders and delicious Dorset-themed pizzas.

However you chose to spend this festive season, there is something for every palate and occasion at The Bull.

## Acclaimed pianist to perform at Dorset County Museum

PROCLAIMED by Jools Holland as one of the best pianists of all time, Ben Waters' performances are simply breath-taking – he's accompanied numerous legends of rock 'n' roll from the likes of Chuck Berry, Jerry Lee Lewis, Shakin' Stevens and the Kinks' Ray Davies!

Last year, Ben was instrumental in re-forming The Rolling Stones to cut his star-studded tribute album to Ian Stewart (Boogie4Stu) which featured all the members of The Rolling Stones, Jools Holland and PJ Harvey. The proceeds from the album have already amassed a whopping £20,000 which has been donated to The British Heart Foundation, in memory of the late Ian Stewart who died of a sudden heart attack at a young age.

Ben has toured with the incredible ABC&D of Boogie Woogie which also features Axel Zwingenberger, Dave Green and Charlie Watts.

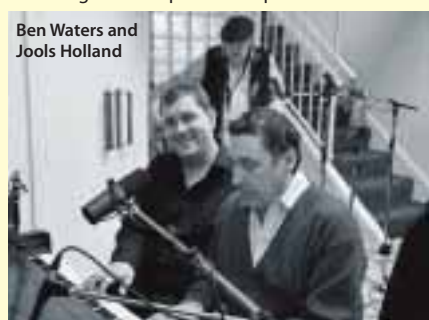

This November and December, Ben will be touring the UK on 227 dates, performing music from "Boogie4Stu" as well as an eclectic mix of seminal rock 'n' roll, boogie woogie, blues and rip-roaring originals in this rare solo tour.

Ben has also performed for HRH Prince Charles and at the actor and fellow musician, Hugh Lau-

rie's 50th Birthday Party, plus countless corporate events across the globe.

Ben's forthcoming tour will provide audiences with a foot-stomping performance that will leave them wanting more.

The forthcoming concert at Dorset County Museum takes place at 8pm on Saturday, November 17th. Tickets cost £12 and are available now from the Museum Shop at Dorset County Museum on 01305 756827 or email [shop@dorsetcountymuseum.org](mailto:shop@dorsetcountymuseum.org). Doors open at 7.30pm.

Yours sincerely,

David Newton, Honiton Antiques Festival

WITH a career as prolific as Georgie Fame's it is impossible to summarise with a few paragraphs, but perhaps the starting point can be recognised as March 1962 when Georgie Fame and the Blue Flames took up what was to be a three-year residency as the house band at the Flamingo Club in London's Soho district. According to Georgie, they played "rhythm and blues all-nighters to black American GIs, West Indians, pimps, prostitutes and gangsters."

The band's reputation as "the epitome of cool" spread rapidly, and in 1963 their first album, Rhythm and Blues at the Flamingo, was recorded live at the club. A string of hit records in the following years included the

No. 1 best sellers, Yeh Yeh (the first recording that knocked The Beatles off the number one spot in the charts), Getaway and 1967's The Ballad of Bonnie and Clyde.

Due to his great popularity, Georgie Fame and the Blue Flames were the only UK act invited to perform with the first Motown Review when it hit London in the mid-1960s.

In the late 80s Georgie Fame joined forces with Van Morrison, after having been invited to play Hammond organ on Van's Avalon Sunset album the previous year. He continued to record and tour with Morrison throughout the nineties.

Throughout his 40-year career, Georgie Fame has recorded over

20 albums and 14 hit singles. He is equally at home in the company of jazz groups and big bands, orchestras, rock groups and his own band, The Blue Flames. As a sideman, he has recorded with many artists, including Gene Vincent, Prince Buster, Muddy Waters, Eric Clapton, Joan Armatrading, Andy Fairweather-Low and Bill Wyman. Ever on the road, Georgie Fame continues to perform his unique blend of jazz/rhythm and blues for live audiences at clubs and music festivals throughout Europe.

The Guardian describes the live atmosphere created by Georgie as "Sends us home happy to have been in the presence of genuine cool", whilst The Telegraph raves "What a cool cat Georgie Fame is ... handsome and dapper in a cream suit, he ambles onstage at Ronnie Scott's. Everyone knows they are in for a treat, even the band".

Catch Georgie Fame and his band live at The Electric Palace on Wednesday, November 21st. Tickets are selling fast at £18 (plus booking fee) from Bridport Tourist Information Centre on 01308 424901 or £20 on the door if not sold out. Doors open at 7.30pm for an 8pm start. Support from Jack Harrison. [www.electricpalace.org.uk](http://www.electricpalace.org.uk)

## Invitation to Symonds & Sampson Landlords Evening

**CHANGES** are afoot in the private rental sector! The lettings department for the company have seen property levels decreasing and tenants increasing. The demand is outstripping supply with more than one tenant applying for the same property. It seems that the market is moving more towards the Continental approach; renting a property is more common, replacing the homeowner.

There has been a small increase of buy-to-let investors but more investors need to be encouraged into the market if a deposit of 25% on a mortgage is affordable to them. Lower house prices, rising rents and improving mortgage deals are tempting investors once more into the market. Here are some top tips for buying a property to let.

Do your sums – Seek out advice from our lettings department on the monthly rental against the cost of your monthly mortgage repayments. Don't forget to take into account if the property sits empty for a month's or two on a yearly basis.

Research the market – Choose an area where there are good facilities such as local shops, pubs and public transport.

Think about your target tenant – Do not imagine yourself living in your property, put yourself in the shoes of your target tenant. Who are they and what do they want? Young professionals – modern and stylish. Families – They have their own belongings, so a blank canvass is essential.

Know the Legislation – It is essential that a Landlord knows their obligations

under the law. For example, gas safety certificates, safe electrics and don't forget, a Landlord is classed as a commercial business under the Health and Safety rules and regulations.

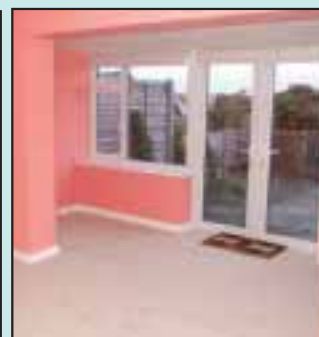

Consider how hands-on you want to be – Buying a property is only the first step. Will you rent it out yourself or an agent to do so? We offer a very varied service for experienced or first time landlords.

Hidden Charges – Symonds and Sampson have purposefully left their terms and conditions totally straight forward, with charges kept to an absolute minimum, even though they are working harder for landlords and tenants. Remember it costs nothing to change your managing agent if you are unhappy with the service. However, you do

need to check your existing agreement. Symonds and Sampson have over 20 year's experience in achieving good, consistent levels of rent with happy landlords and tenants! They manage over 500 properties throughout Dorset, Wiltshire, Somerset and Devon.

Symonds and Sampson in Bridport are holding a Landlord's Evening in their offices in South Street, on Thursday 29th November. Lettings and sales managers, and Nathan Howard from Sands Associates, the Independent Mortgage Advisers will be hosting. Come along for an informal chat and a drink from 5pm to 7.30pm. We look forward to seeing you there.

## The all-new Volvo V40 range - low-emission luxury without compromise

- Volvo V40 range strengthened by arrival of new R-Design and Cross Country variants
- Unprecedented choice without compromise for premium hatchback customers
- D2 models feature sub-100g/km CO2 emissions across all trim levels and in three bodystyles

THE all-new Volvo V40 range has given its premium hatchback competition its toughest test yet, thanks to a unique blend of low-emission luxury with no restrictions on equipment or specification level.

Whether it's the comfort of the V40, the sportiness of a V40 R-Design or the rugged personality of a V40 Cross Country – all three variants are available with sub-100g/km CO2 emissions in a full range of trim levels, creating the widest possible choice for both retail customers and company car drivers.

The V40 is also the safest car in its class too, having achieved the highest score ever recorded by EuroNCAP in recent crash tests, thanks in part to pioneering technologies such as the world's first pedestrian airbag and Volvo's autonomous braking system City Safety, which also now qualifies for reduced insurance premiums.

There's no compromise either for customers who want to combine comfort with sports-inspired styling as the V40 R-Design is fitted as standard with the dynamic chassis and available with the optional sports chassis.

Nick Connor, Managing Director of Volvo Car UK, said: "For years now, Volvo has offered the solution for drivers who want a premium vehicle experi-

ence with low emissions and low running costs, but who don't want to sacrifice equipment, styling or safety features."

"Put simply, the V40 delivers unprecedented choice in the premium hatchback sector without compromise for the customer. Our customers can enjoy low fuel and tax benefits thanks to sub-100g/km CO2 emissions, yet still have the luxury of SE Lux spec if they want to – plus they get to choose from the V40, V40 R-Design or V40 Cross Country bodystyles."

The all-new V40 was launched in the UK in July

and is available with a choice of six engines, including a new 254hp, five-cylinder 2.5-litre T5 Geartronic performance model, which can cover the 0-60mph sprint in 5.7 seconds and will continue on to a top speed of 155mph.

Meanwhile, diesel engines include two 2.0-litre units – D3 with 150hp or D4 with 177hp – both of which are available with a choice of manual or automatic gearbox and combine impressive performance with frugal fuel economy (up to 65.7mpg for manual versions on the combined cycle).

Rounding off the diesel engine range is the 1.6-litre D2 engine. Available in all three body styles and a full range of trim level options, all D2 models feature sub 100g/km CO2 emissions, plus exemption from the London Congestion Charge and reduced parking fees for customers living in some areas.

The V40 range is priced from £19,995. For more information, visit the website: <http://www.volvocars.co.uk/>

## Suzuki cold weather tyre programme puts safety first – and now at a lower price

RAIN, snow and sub-zero conditions make winter the most hazardous time of year on the road. Suzuki GB PLC is keen to ensure drivers are well-equipped to tackle the worst the weather can throw at them by offering a great value winter tyre promotion with prices on average 10 per cent lower than last Winter and with storage facility now available.

By fitting cold weather tyres to their vehicle, Suzuki owners can increase safety just when they need it most. Michael Le-Flay, Suzuki Aftersales Marketing Manager, explained: "Many people are unaware of the fact that when temperatures drop below 7°C, the rubber in standard tyres becomes harder and less flexible, which affects braking and cornering performance."

"It doesn't matter how many electronic aids your car may have, the quality of its tyres is critical. The compound used for cold weather tyres, and their tread design are tailored to cope with adverse conditions, so that the best levels of car control can be maintained."

Fitting cold weather tyres can also be an investment as motorists travelling an average annual mileage could get two or three years use from a set. Switching over tyres for the winter months can also mean the difference in reaching a destination safely rather than having to postpone the jour-

ney, or at worst, having to abandon the car – a common sight on the roads if snow arrives.

Suzuki has quality tyres available for all current models; for convenience, the cold weather tyre programme consists of a ready to fit wheel and tyre set and, taking Alto as an example, are now available at just £99 each including VAT with a full set of wheel trims available from £33 including VAT.

To help customers further, Suzuki is now offering an annual storage facility across its dealer network for a recommended retail price of £49.99 which includes a wheel / tyre inspection and wheel balance of Winter and Summer tyres. For a recommended retail price of £99.99, customers also have the option of a front and rear brake inspection, safety checking and cleaning of their wheels / tyres and then storage by Suzuki GB PLC in Milton Keynes.

## Ford B-Max proves a hit in first weeks on sale

- Ford B-MAX sales exceed 1,000 within its first six weeks in UK dealerships
- Over 2,500 orders taken, most before cars appeared in UK dealerships
- The ingenious new B-MAX offers a unique door system, providing unrivalled access and flexibility, class-leading technology features including SYNC and the most fuel efficient powertrains

OVER 1,000 Ford B-MAX models have been delivered to customers, proving the appetite for this stylish new entrant to the B-MAX segment is strong. More than 2,500 orders have been received, the majority prior to the vehicle arriving in UK dealerships.

Ford B-MAX sales are overwhelmingly to private customers (63 per cent) with 22 per cent to Motability customers and the remainder to fleets.

Anthony Ireson, Ford Britain marketing director, said: "We ran a Ford B-MAX promotional campaign offering the chance to win unusual prizes that would not normally be available to the general public. Over 70,000 of those participating clicked through to an online Ford B-MAX configurator so we knew there was strong appeal from the start, but even so we were amazed by the true level of interest – especially since most customers placed orders before they had even been to a showroom."

The stylish new Ford B-MAX offers a unique and ingenious door system which integrates the traditional central "B" pillar structure into the rear doors, creating an opening more than 1.5 metres wide when the hinged front doors and rear sliding doors are opened. This wider opening enables easy side loading, easier ingress and egress and coupled with the fold flat passenger and rear seats, delivers great flexibility.

Technology features on the Ford B-MAX include SYNC, Ford's voice-activated, in-car connectivity system which enables users to connect mobile phones and music players by Bluetooth or USB, make hands-free telephone calls, and control music using voice controls. The system will read text messages aloud from compatible phones and offers the new Emergency Assistance feature designed to call a local emergency services operator in the event of an accident.

The Ford B-MAX is equipped with a choice of

fuel efficient powertrains. The new 1.0-litre EcoBoost petrol engine, named "International Engine of the Year 2012" and most recently awarded the Dewar Trophy, is available with both 100 and 120PS power outputs. The 120PS engine features Ford's Auto-Start-Stop system as standard and achieves class-leading CO2 emissions of 114g/km and an average fuel consumption of 57.7mpg.

Other petrol engine options include the 1.4-litre and 1.6-litre Duratec engines, the latter is paired with Ford's PowerShift six-speed automatic transmission. For those preferring a diesel engine, there is the 1.6-litre Duratorq TDCi with best-in-class CO2 emissions of 104g/km and a 75PS 1.5-litre diesel appearing for the first time in the UK.

The Ford B-MAX is on-sale, priced from £12,995 on-the-road.

## Book early for Christmas holidays

AS THE weeks countdown to Christmas, Europcar, the leading provider of car hire in Europe is urging customers who need a vehicle for the festive season to book early. The company is advising that the earlier customers book, the better the rate they can secure – as well as ensuring they get the vehicle type they need.

Traditionally one of the busiest periods for car hire, vehicles can be in great demand around Christmas. Europcar is therefore urging customers to start thinking early if they want to ensure they have the vehicle they need.

Ken McCall, Managing Director, Europcar UK Group, comments "Although we've only just turned the clocks back, we're already seeing a high demand for cars over the holiday season. The cold blast we've just experienced across the country is also a timely reminder that families may need to hire to ensure they have a car they can rely on for the Christmas travels.

"By booking early, customers can not only ensure they get the vehicle they need, but also the best possible rate, as these can depend on availability."

Whether it's hiring a larger vehicle to travel with the whole family during Christmas holidays, using a van to help move lots of items around, or even just wanting a bit more comfort, Europcar offers a wide choice of vehicles.

As the UK's leading car and van rental company, it has a network of over 200 locations across the UK and the widest choice of vehicles, all on average less than 6 months old.

McCall concludes, "Christmas can be a demanding time of year for families. With all the shopping and general logistics of organising everyone, having a vehicle that is too small, might breakdown or simply cannot make it through wintery conditions could spell disaster. Therefore having a larger, more comfortable, and most importantly reliable, vehicle can be a real help.

"By booking with Europcar, customers can ensure they get the right vehicle at the right price, and ensure a merry Christmas."

# Portland United FC – Inclusion for all

PORTLAND United Youth Football Club (PUYFC) was founded by two dads, Chris Wilson and David Symes, in 2001. At the time there were very little opportunities for young children on the island to play football.

Their main emphasis was inclusion for all, believing strongly that every child should have an equal opportunity to play football at an early age, irrespective of their initial talents.

Club founder and current Portland United Senior First Team Manager Chris Wilson explained: "When the club started Dave and I wanted to make sure that every child got the chance to play. We wrote some rules of inclusion into our constitution, and it has served us well over the eleven years.

"It is the clubs philosophy that the perceived 'weaker' player, will never be able to improve, if he or she is not given game time at an early age. PUYFC look at the long term development of both the player and the team."

Building strong links within the community PUYFC are continuing to expand and offer a number of facilities:

Cheap Membership – PUYFC offers one of the cheapest football club memberships in Dorset at just £2 a week. This pays for all pitch hire, training costs, equipment, tournament entries kits, referee fees, end of season parties/trophies etc.

Chartered Standard – PUYFC are a Chartered Standard Club which ensures that they meet strict guidelines set down by the Football Association around Child Welfare,

Codes of Conduct and equality.

Girls Football – continuing our tradition in offering girls football we now have two new sides starting and training on Monday evenings at the Boscawen (5.30pm – 6.30pm).

Free After School Training – qualified coaches will be attending the schools to offer free coaching sessions. The sessions will be a chance for boys and girls to try out football whilst encouraging team ethics and a healthier lifestyle

Community – we run many parent/children's club events throughout the year including quizzes, trips to Wembley/football clubs, open days and manager's matches, as well as Halloween/Christmas/Easter events, parents discos, bag packs, bowling, laser shooting and much more.

Tournament – PUYFC run one of the most successful yearly youth tournaments in Dorset over the August Bank Holiday, attracting over 70 teams from the county and beyond.

T-shirts – all registered players receive a complimentary club polo shirt as part of our continuing commitment to make the PUYFC product second to none in the area.

Membership Cards – all players have club membership cards that will allow savings within the community like 15 percent off milkshakes at the VIP Café Easton and many more.

Carnival – PUYFC entered the Weymouth Carnival this year and because of the massive success we have decided to enter annually.

■ INCLUSION FOR ALL: Some of the players with Chris Wilson (co-founder, Inset)

PUYFC is not just a youth football club it is an integral part of the community. Membership to the youth teams is now in excess of 200, meaning every weekend there are Portland children playing FA sanctioned matches in a safe environment, supporting their slogan 'United for the Community'. ## MAGPIES NEWS

### Byerley double eases Magpies through

#### Dorchester Town 3 Hamworthy Utd 2

##### DORSET SENIOR CUP QF

WARREN Byerley scored a brace to send Dorchester Town through to the quarter finals of the Dorset Senior Cup at the Avenue Stadium last week.

After their FA Cup success just 48 hours earlier, most of the players involved were rested, and Hamworthy United took advantage by steaming into a two goal interval lead.

However the Magpies produced a second half comeback with Byerley, who is a free agent since leaving Kettering Town, putting himself in the shop window with two goals.

Having missed a first half penalty when his shot hit the post, he pulled a goal before Jon Garcia scored another spectacular goal to square the tie.

Byerley then popped up to snatch a dramatic winner, and a visit to Wimborne Town, scheduled for Tuesday, November 27th, for a place in the semi-final.

# Another knockout night for boxing fans

FIVE Bridport boxers will be appearing in the latest Bridport Amateur Boxing Club's autumn tournament to be held at the Freshwater Holiday Park on Saturday November 24th.

This year British and European Bantamweight champion Lee Haskins who is also the WBA Inter Continental and the IBF International bantamweight champion, and Southern Area super featherweight champion Jamie Speight, will be presenting the awards that will include a new one dedicated to the memory of former President Brian Richards who died earlier this year.

Coach and organiser Alan Slaney hopes to have 16 bouts on the card including one ladies match, a rematch between Bella Murphy of Sturminster Newton and Weymouth's Chloe Le Page.

Bridport's quintet comprise **Jack Chatham** who brought the crowd to their feet in the final bout of last year's event before losing narrowly on points, lightweight **Joe Nowell**, Polish boxer **Wojciech Wlizio**, middleweight **Sy Storey** and Junior **Lucian Sherwood** (13).

Wlizio joined the club this year and had 12 fights in Poland before coming to the UK. The light-heavyweight is lined up to meet Plymouth Mayflower's Howard Hart

■ RARING TO GO: Four of the five Bridport boxers fighting (from left): Lucian Sherwood, Jack Chatham, Joe Nowell and Wojciech Wlizio

who has just been selected to represent England U21's.

Unfortunately the Navy team will not be present this year but besides the old favourites with great boxing pedigree such as Willenhall, Coventry and Broadplains, a new club, Carl's Boxing Stable, Plymouth will be making their first appearance.

The tournament will start with Ten Bells, in memory of Brian Richards, and will include the presentation of a new award, Bridport Boxer of the Year, a simulated

world title belt, that will be presented during the tournament.

There will of course also be the Best Bridport Boxer of the Tournament award sponsored by Paul Crosby.

Tickets are now on sale for the event that starts at 7.30pm, and can be purchased from Timpson's in West Street or Bridport Sports Shop in East Street, Bridport priced £15.

Tickets will also be available on the door and food will be available through the evening.

## SCRUM DOWN - rugby round-up

WITH KEITH JENKIN

# Convincing cup win for Weymouth

THE local leagues took a holiday on Saturday last and the day was devoted to Cup and Vase action.

The DORCHESTER first side having already been eliminated from the cup, were without a fixture at first team level. Their second team game, the vase semi final, also did not take place, the result having been conceded by visitors, Corsham seconds.

BRIDPORT too conceded their Senior Vase semi final game at MELKSHAM, having been unable to raise a side.

PUDDLETOWN for their part, were without a fixture, their semi final against POOLE having been rescheduled for 24th November at home.

#### WEYMOUTH 57 CORSHAM 14

THE Weymouth eight laid the foundation for what was, in the end, a runaway victory, by gaining a very discernable edge in the set scrums during the first ten minutes' play, and never losing it.

The home side had very much the better of the early exchanges, but failed to capitalise, owing to the fact that they conceded a few turnovers of possession.

They took the lead after some ten minutes through a Nick Sheppard penalty goal however, and went from strength to strength thereafter. The first try of the game came soon after. Winger Will Quick scored it, racing over from the twenty two.

This try remained unconverted, but Sheppard made atonement by adding the extras to the next, touched down by Harry Charles on the half hour mark.

Two more home tries came before the break. Centre Joel Wilson jinked his way over to score the first, again converted by Sheppard, who also converted the final try of the half, a good individual effort by Quick, thus taking the interval score to 29-0 in home favour.

The home side were very much in control at this stage for, apart from having an ascendancy forward, they were running the visitors' kicks out of defence back at them, principally through full back Robinson.

The third quarter continued in a similar vein. Wilson wriggled through a fast closing gap to score his second of the game, again

converted by Sheppard, who was having a good day with the boot.

Then, when Quick had gathered a dropped ball by the visitors on halfway and eluded several would be tacklers before picking up his knees and running in, Weymouth were away and clear.

Sheppard again converted and, at this juncture, the home side rang the changes and their cohesion suffered, albeit temporarily.

Corsham signalled that they were not taking part just to make up the numbers, by scoring two converted tries of their own to give the scoreboard a hint of respectability.

The final words came from Weymouth however for, in the final minutes, Gareth Isles crashed over, for Sheppard again to add the extras; and the out half then showed that there is more to his game than a reliable boot, by scoring a try himself, and also converting it.

This completed the scoring, for the whistle for no side blew soon after, bring an end to a rather long afternoon for Corsham.

There is little doubt that Corsham are a far better side than they showed on Saturday last. Weymouth played well however and won comprehensively and the final (against Wimborne, I think) beckons.

Not such a good afternoon for the Weymouth third side. They travelled to Swanage & Wareham fourths and lost 49-7.

#### PREVIEW

THE leagues recommence on Saturday next and, while BRIDPORT are on the road, if they can travel well they have every chance of returning with the spoils.

Their opponents WESTBURY have not enjoyed the best start to their season and reside near the bottom of the table.

The home side's strength is traditionally in their pack and, if Bridport can win the battle up front, they can prosper. Westbury have won just twice in the league thus far, but several of their losses have been narrow ones.

I can see them competing for an hour before Bridport stretch away in the final quarter.

PUDDLETOWN too have a game that they should win, and win with some comfort at that. Their visitors, NORTH DORSET thirds, have not troubled too many in the league

thus far, with their only victory coming after a high scoring affair with Fordingbridge seconds. If the home side mind their trade a bonus point for scoring four tries should come their way.

DORCHESTER travel to SHERBORNE who have recently lost their way after a good start to their campaign.

This will be a pivotal game for the visitors who have also stuttered a little, and a win will really get their season up and running.

They do seem to be coming together and I think this one will be close, with Dorchester just edging the result by the end.

WEYMOUTH, who have exceeded the expectations of some thus far, have a home fixture against WALCOT, the Bath side who lie in the lower reaches of the Southern Counties league (South).

A meaningful strand of form is, to my mind, the fact that they lost to Wootton Bassett, a side whom Weymouth bested recently.

A home win, especially a bonus point win, would cement Weymouth's place in the division's mid table. I take them to achieve it.

As to the second sides, it is the Bridport's turn to miss out, for their division has an odd number of sides, while Dorchester seconds face a tough outing at New Milton seconds.

Weymouth seconds too have a tough one with the visit of East Dorset, while Weymouth thirds can, if they apply themselves, come back from Ellingham & Ringwood thirds with the result.

## Weymouth youth rugby

### Bridport prove too strong for under 15s

#### Bridport U15 60 Weymouth 5

ALTHOUGH Weymouth defended well, Bridport showed their strength and determination from the start.

They scored their first try within the first few minutes, although they didn't convert.

Weymouth continued to put on the pressure and fought hard to gain territory, but failed to score leaving themselves exposed for the Blues to score their second.

Good defence by Weymouth made it more difficult for Bridport, but with some deft dodging they scored their third try, this time under the posts.

The Seasiders finally got on the score-sheet with a well-constructed piece of play when Weymouth's Man-of-the-Match Rob Deadman secured possession and after several successful passes Kalen Ryan took the ball across the line.

Unfortunately this was Weymouth's only success of the game and they were 24-5 adrift at half-time.

During the second half Weymouth continued their effort and certainly didn't make it easy for Bridport to score, and to their credit despite being clearly beaten continued to be competitive.

#### Under 9s

WEYMOUTH'S U9s first away game of the session was a visit to Bridport in perfect weather conditions for rugby.

Weymouth started the first game slowly with Bridport scoring several tries early in the first-half, but they hit back after the break with a first try of the session by newcomer Austin Nash.

Tries from Eddie Rodrick, Finley Wyatt and Xavier Hughes followed and helped pull the game back for Weymouth after the early giveaway tries,

but Bridport ran out winners 10-7.

The second game proved to be a lot closer and more entertaining than the previous.

Weymouth's defence made some outstanding tackling from newcomers Libby Terry and Nathan Russell who won man of the match for his tackling contribution.

Some fantastic attacking play from James Piles and Jacob Baldwin helped set up tries from Eddie Roddick, Hughes and a hat trick from Wyatt.

Thomas Williams, Jacob Brunel and George Cartwright also contributed in a solid defence against a determined Bridport team.

#### Under 7s

##### Match 1 BRIDPORT 7 WEYMOUTH 3

A HARD-FOUGHT first match saw both teams at one try a piece at half-time, with the Weymouth try scored by Toby Dimont-Aylott.

In the second-half Bridport charged ahead with six tries, but Weymouth began to get back in to the game with tries from Ben Lerpiniere-Symes and Josh Radburn-Richards but ran out of time.

##### Match 2 BRIDPORT 1 WEYMOUTH 3

TWO tries in the first-half by Brodie Miller saw Weymouth on top for the first time. Good defensive work by Sam Burton, Ian Clements, Harvey Weston and Harry Baker helped keep Bridport scoring only one try in the second-half.

Weymouth sealed victory with Radburn-Richards second try of the day.

New boys Angus Jeffcott, Nai Thomas and Daniel Becker fitted well into the Weymouth team and look promising for the matches ahead.

# Green turns trophy tie Magpies way

**Didcot Town 1 Dorchester Town 2**  
**FA Trophy Qual round - att: 179**  
FOLLOWING the FA Cup victory over Plymouth Argyle, the boot was on the other foot when Dorchester visited Didcot Town in the FA Trophy.

The Evo-Stik Division One South & West team were by far the better side in the first half and took a deserved lead just before the break, and it needed a brace from former Truro City player Danny Green, signed just in time to take his place on the sub's bench, to ease the Magpies through.

Manager Phil Simpkin, having watched his opponents in midweek, knew it was going to be tough, and so it proved, and it was a brave and calculated decision by the Magpies boss midway through the first half that eventually won them the game.

Playing into a strong sun that didn't help the players focus easily, Dorchester were under real pressure in the first quarter of the match as the Rail-

waymen made tracks towards their goal, forcing Simpkin to make a substitution in the 23rd minute by introducing the versatile Green for Jon Garcia.

Simpkin explained his reasoning: "The fact was Jon Garcia was not getting in the game. It was not his type of game to play in, and I should have realised that before the match but didn't, and so I put it right, as simple as that.

"It was quite obvious it wasn't working and you can't just stand there and let it continue."

Dorchester came into the game more after the switch and Ben Watson went close with a header over the crossbar.

But with just two minutes to the break, Didcot got the goal they deserved for their performance when Pablo Haysham beat Magpies keeper Jason Matthews with a superb curling shot from 25 yards.

Matthews was in action again soon after the break acrobatically denying James Clark before Mark Jermyn fired over the bar at the other end.

Finally in the 50th minute Dorchester drew level when Green fired home from 12 yards.

This signalled Dorchester's fight back and they slowly took control; their superior fitness gradually blunting the Railwaymen's efforts.

However it wasn't until the last minute that the Magpies won through, Green heading home from five yards after Didcot had failed to clear a corner.

Simpkin was full of praise for his opponents saying: "They gave us a hell of a game as I knew they would. It was

a hard test, a different type of test; they were at us all the time.

"They've got some decent players and have only lost three at home in the last seventeen, so it was a decent result for us.

"Their position in their league is totally false. I don't think they are going to lose many at home and come the end of the season they will be in the mix for promotion."

Referring to Green and his impact on the game he added: "I have no doubt he is going to be one of the best signings I have ever made for any club.

"Danny Green is a top, top player and can virtually play in any position. He's 21-years-old and has got a better engine than Jamie Gleeson - something I have never seen before.

"Although he played at full-back at Truro City we moved him up front with Ben Watson and his finishes for the two goals were fantastic."

### Mad! Hatters twice?

THE draw for the first round proper of the FA Trophy means Dorchester Town could play Conference Premier side Luton Town twice in eight days.

The Magpies will host the Hatters at the Avenue Stadium on November 24th following their victory over Didcot Town on Saturday, but could also face them the following week in the FA Cup at Kenilworth Road.

The Hatters who were FA Cup runners-up in 1959 when they lost 2-1 to Nottingham Forest at Wembley must however beat Nuneaton Borough in their replay last Tuesday.

Magpies manager Phil Simpkin said: "I possibly might not have chosen them in the circumstances, but it's another big game for us, and it is a home draw.

However they have to get past Nuneaton first and having just lost

four on the spin that is not certain. "I guess if they get through they will put out two different teams, they have such a big squad, whilst we only have a limited set of players."
